The KCSV is a program that runs during the school year at participating schools in Simcoe County. A "village" is set up in the gym for a week with educational training delivered to each class by participating members of our safety community; OPP, Paramedics, Orillia Power, CN, Fire Departments. Each grade is taught about safety, level of learning dependent on age of children, from railroad safety, home electricity to cyber bullying.

10% of proceeds on all meals purchased will go to support the...
