Dear Parents and/or Guardian,

Parent School Climate Surveys are now available online.

We value your input and would like to hear your perspectives on the school climate of your child's school. The parent surveys are now open and will be available until **Friday, May 26, 2017**.

**To access the Parent School Climate Survey (2017):**

1. Go to: <https://www.surveymonkey.com/r/SMCDSBParent2017>
2. Complete the survey.

This link can be accessed by typing the above url into any browser, or via the Board web page at **smcdsb.on.ca**, or via your child's school web page.

Survey data is confidential and will be collated board wide and by school, not by individual students or parents. The data from the survey will be very beneficial in developing school and board improvement plans to support student achievement and well-being.

Thank you for your continued support in helping all our school community members feel safe, welcome and included in their schools.

Sincerely,

Barbara Heeneman  
Principal
